 - Write access in its own section

OTHER DETAILS

- When IM finishes his work on the dossier, his/her path-related light should be set to green.
- When all path-related lights are on green, IM in pair with the originator Applicant submits the path modification offer.
- If modification is not feasible, IM in pair with initiator Applicant has the right to reject the path modification. Then dossier returns to the Active timetable phase.
- Originator Applicant can withdraw the path modification at any time then dossier returns to the Active timetable phase.
