#### OTHER DETAILS

- The involved Applicant agrees, disagrees or asks for adaption.
- When some of the affected Applicants ask for offer adaptation, dossier returns one step back to the Path Modification Elaboration phase. When the Applicant agrees, his/her path-related light should be set up on the green.
- When all path-related lights are on green, originator Applicant has to accept path modification offer. The dossier returns back to the Active timetable phase with the new valid state.
- When some affected Applicant disagrees with the offer, he has to reject the path modification offer. Then dossier returns back to the Active timetable phase into the originally agreed state.
