

Phase Draft Timetable

Content

DESCRIPTION

- Draft Offer is a formal milestone. Its object is to store the state of a finished path
- For Late and Ad-hoc Request is renamed as "Late Request Offer" and "Ad hoc Request Offer" (See an example of the first one below)

POSSIBLE TRANSITIONS

Transition list

- **Draft Offer -> Observations**
 - PCS system (Automatic promotion)
 - Restrictions: None

PERMISSIONS

No action needed. The dossier is immediately forwarded to the next phase Observations / Acceptance regarding the path request process.

Print
