

## Phases of Feasibility study

### Content

### Introduction

- In order to reach the Feasibility Study Process, the first two phases of the New Path Request Process has to been run through (Open and Harmonization).
- The feasibility study is then started by leading Applicant at any time from Harmonization.
- When the study process is finished, the dossiers return back to Harmonization phase.
- Feasibility study process consists of the following phases:
  1. Harmonization Conference – Applicant/IM
  2. Feasibility Study Request – IM phase
  3. Feasibility Study Elaboration – IM phase
  4. Feasibility Elaboration Conference mode (optional during Path Study Elaboration) – Applicant/IM phase
  5. Feasibility Study Result – Applicant phase
