

Dear Business Partner,

The Rail Freight Corridors Baltic-Adriatic, Orient-East/Med and Czech-Slovak, in close cooperation with RNE (Rail Net Europe) are pleased to invite you to the:

**RFC PCS Training 28th February – 1st March
2018 in Budapest**

Our annual training provides you with valuable, practical insights needed for requesting capacity on the Rail Freight Corridors.

Moreover the training is going to introduce you to new features and functions in PCS, inform you about the latest news from RFCs, about the planned PCS development for TT2019 and give you the chance to practice live with individual and corridor-specific exercises.

The PCS Training is organized jointly by the Corridors: Baltic-Adriatic, Orient-East/Med and Czech-Slovak.

Time and location details:

28th February (13h-18h) – 31st February (9h-13h) 2018

Könyves Kálmán krt. 54-60, 1087 Budapest, Hungary

If you would like to participate, please register under the following link:

<https://cms.rne.eu/content/baltic-adriatic-orienteast-med-czech-slovak-pcs-training-2018-registration-form>

The training consists of:

1. A plenary session, organized by all three Rail Freight Corridors together with RNE, during which general information and new PCS features will be presented.
2. Group sessions moderated separately by each Rail Freight Corridor, during which the Customers of each Rail Freight Corridor can work with the system by using real test cases.

PRACTICAL INFORMATION

- ✓ Participants need to bring their own notebook and their PCS-account.
- ✓ The training will be held in English.

We believe that the participation to this training could give you the opportunity to enhance your skills as PCS user and we thus warmly recommend you to join us.

Should you have any questions, do not hesitate to contact us.

Please feel free to share this link or the official PDF invitation with other interested colleagues.

We look forward to meeting you in Budapest!
